

LET'S TALK ABOUT

FREE HEALTH AND CARE CAREER SESSIONS

These small group sessions offer Students the opportunity to speak to a Professional about their Health and Care aspirations

They are designed to provide an insight into a specific area of health, highlighting the key skills required, the rewards and challenges of the role and provide an overview of the day to day

The sessions take place via Microsoft Teams

The informal conversation and discussion, lasting up to an hour is a unique opportunity for Students to make decisions about a future career in Health and Care
